Barron HV, Lesh MD. Autonomic nervous system and sudden cardiac death (review article). J Am Coll Cardiol 1996;27:1053-60.

On page 1055, the last sentence in the first column should have read, "Using their postmyocardial infarction dog model for

inducing ventricular fibrillation with ischemia, Schwartz et al. (16) demonstrated that the baroreflex sensitivity was significantly *increased* in resistant dogs compared with dogs susceptible to ventricular fibrillation (9.1 vs. 17.7 ms/mm Hg, $p < 0.001$).” The authors regret the error.

Parmley WW. Report to the Board (Editor's Page). J Am Coll Cardiol 1996;27:1813-4.

In the June Editor's Page, the number of *JACC* subscriptions

for the period from January through June 1995 was mistakenly printed as 306,113. The actual number of subscriptions for that period was 30,613. We regret the error.
